## NEWS OF OUR MEN and WOMEN IN UNIFORM

The former judge of the First Township justice court, **John J. Fahey jr.**, son of Councilman and Mrs. John J. Fahey sr., is now stationed in San Francisco at Shore Patrol headquarters. Fahey jr. is a petty officer with the U. S. Navy and recently completed his training at San Diego. He resides, with his wife and daughter, at 32 Edgewood street, Garden Village.

Sergeant **James W. Sunderland**, Daly City, attached to a Marine Corps military police unit at his South Pacific base, is also a member of the island's baseball team.

Between watches, the Marine M. P.'s play teams representing other branches of the service — and Sergeant Sunderland and his buddies have usually been victorious.

The Daly City Leatherneck is the team's right fielder.

Technical Sergeant **J. H. "Jack" Cosbie jr.**, and his wife visited here, last week, with Mr. and Mrs. J. H. Cosbie sr., 510 Bellevue avenue. Cosbie was home on furlough from Fort Jackson, South Carolina. He is a graduate of Jefferson Union high school.

Marine Paratrooper **Richard Bolger**, son of Mr. and Mrs. William Bolger, 43 Risel street, left for Camp Pendleton, near Los Angeles, Saturday, after a well-earned furlough in Daly City. He was accompanied by a friend, Wayne Bonner, who's in the same outfit and who visited here with the Bolgers for several days.

Bolger had been on overseas duty in the South Pacific since March 9, 1943. He has two battle ribbons to his credit.

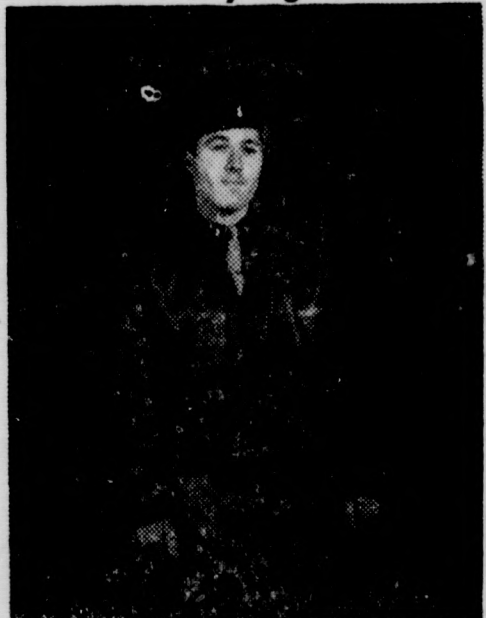

Mr. and Mrs. Morris Vercauteren, 165 Miriam street, have four sons in the armed forces. They are **Edward M., Robert, Raymond, and Gilbert Vercauteren**. Gilbert is in the U. S. Army, now in Sicily, and the other three are all U. S. Navy men.

Edward, who has been in the Navy four years, just received a promotion to chief petty officer. He is stationed at San Diego now but was wounded a year ago in action in the South Pacific. He received the Purple Heart medal and his campaign bar.

Arriving in Daly City for a 10-day furlough, this week, was Lieutenant **David A. Grenier**, son of Mrs. Mary Grenier, 1130 Brunswick street. He was graduated and commissioned, Sunday, March 12, at Pecos Army Air field, Pecos, Texas.

Grenier took his primary flight training at Thunderbird field No. 1, Glendale, Arizona. A graduate of Jefferson Union high school, he is married to the former Miss Thelma M. Clarke, San Francisco. She was present for the graduation exercises and accompanied him here.

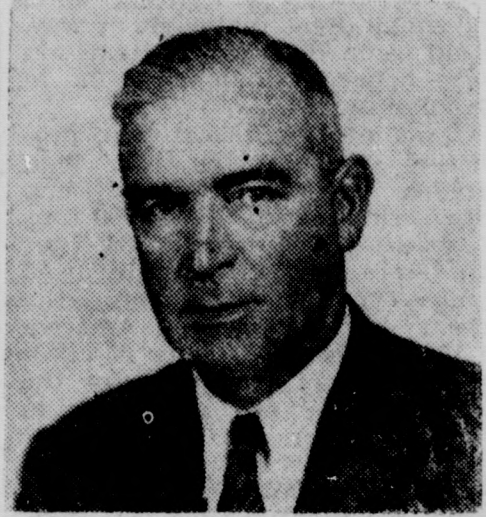

### Receives Flying Cross

Here's the official AUSAAP picture of Lieutenant **Richard E. Millet**, whose story appeared in last week's Record. Millet has been awarded the Distinguished Flying Cross, the Air Corps' highest award. He is a graduate of Jefferson Union high school.

Millet, who is stationed in the European theatre of operations, has received the Air Medal with four Oak Leaf Clusters as well as the coveted Flying Cross.

## Meet Daly City's Candidates

**Saturday noon, March 11, was deadline for filing nomination papers for Daly City's general municipal election to be held, Tuesday, April 11. Opposition is in store for only the two councilmen as no one but the incumbents filed for the positions of city clerk and city treasurer.**

**Daly City voters will select two men for the board of councilmen at the polls, April 11. The four men seeking these two posts are pictured above. They are, reading from left to right, Edmund Cavagnaro, incumbent; John J. Fahey sr., incumbent; Edward J. Dennis, and Burton L. Meritt.**

**At the right are B. C. Ross, city clerk, who is unopposed, and Mrs. Florence Stockton, incumbent city treasurer.**

### THE RECORD AND THE CITY ELECTION (An editorial)

Filing for the city election has closed, all candidates are known, and the campaign is under way.

The Daly City Record feels that local residents are well able to select men for their city council who will be honest, dependable, and imbued with sufficient foresight to keep the community abreast of the times, IF they take time to acquaint themselves with the qualities of the various men seeking the positions, and IF they exercise their right to vote.

It seems to us that a community newspaper's job is not to endorse candidates but to provide equal opportunity to all candidates to place their qualifications, objectives, and accomplishments before the electorate.

Therefore, we are opening our news columns to all candidates and in five free inches of space each week until election time they are invited to tell their own stories. Their statements will not be "edited" and may be taken as directly as a personal conversation between the candidate and the voter. Display advertising space is, of course, also available and its use is dependent only upon the individual candidate's campaign.

We urge everyone to vote—that's the most important task we have in the current campaign. Needless to say every resident here should be concerned about his representatives on the city's governing body. We urge the public to study the men available and then to vote for those most likely to give Daly City intelligent leadership.

### Registration For May Election Closes April 6

Registration of voters for the consolidated May presidential and August primary election to be held, Tuesday, May 16, will close Thursday, April 6.

For the convenience of Daly City and Colma residents W. H. Augustus, San Mateo county clerk, announces the names and addresses of registration deputies in this district.

They are: B. C. Ross, city hall, Daly City, 75 Wellington avenue; Mrs. Alice Braumoeller, city hall, Daly City; R. G. Davis, 299 Evergreen avenue; John J. Fahey sr., 3 Wellington avenue; Mrs. Violet Hauptli, 87 San Pedro avenue; Mrs. Josephine McHugh, 247 Oliver street; Mrs. Margaret Pettigrew, 6238 Mission street; Edward Trier, 158 Woodrow street; A. Stampanoni, Box W, Colma; E. A. Weisenburger, city hall, Town of Colma.

### Town Of Colma Councilmen Meet

Discussion of projects for the post-war period occupied the city council of the Town of Colma at its regular session held, in the temporary offices in the Weisenburger building, Monday morning. Mayor Paul Delucchi presided, and other officials in attendance included Councilmen M. Jensen, Bartley Flynn, Fred Lane and Peter Barsi; City Clerk E. A. Weisenburger, Attorney Charles Gebhardt, Treasurer Henry Kempf and City Judge C. E. Lowe.

Reports from the state department of public health as made to the county board of supervisors, and of subsequent action by that

### Red Cross Carries Increased Burden

"The national American Red Cross is carrying a burden 21 times greater than before the war, performing services to the armed forces and their families, and on the home front," Red Cross authorities pointed out in stressing the necessity for Daly City residents and business people to contribute more generously than ever before. It was explained that the dollar subscriptions, adequate in former years, are not sufficient to fill war-time obligations.

Daly City has a quota of \$8,000 to meet. Mrs. Joseph Conlon, 462 Templeton avenue, heads the women's division for the drive and is directing the house-to-house canvass. She reported, early this week, that the \$1,000 mark had been passed but that activity and generous response on the part of townspeople would have to continue until the end of the month to insure the objective for this area.

John Degliantoni, 6301 Mission street, is in charge of collecting from business houses of the community. He advises contributors to mail checks or money orders made out to the American Red Cross to him at the address above or to Mrs. Conlon's residence. He reminds stores and other business establishments that this year's slogan is "give double."

Mrs. Conlon has a crew of nearly seventy workers. She announces the following list of new solicitors since the long list was published last week: Mrs. Eleanor Armstrong, 105 Shakespeare street; Mrs. Josephine Clement, 66 Partridge lane; Mrs. Irvin Kramer, 231 Acton street; Mrs. Thomas Gold, 170 Acton street. In addition, the following Jefferson

### Council Gives O. K. On Purchase

Permission to purchase a fingerprinting machine was given to the Daly City Police department by the city council, Monday night, March 13. It is expected to be helpful in dealing with vagrants who come to the attention of local officers and on whom the force might wish to check with the F. B. I.

In the absence of Mayor A. J. Gaggero, Councilman John J. Fahey sr. presided. Councilmen Edmund Cavagnaro, Eugene Lynch, and Howard McHugh were present, as were Health Inspector Fred Collins, Purchasing Agent Arthur J. Bodien, Police Chief James G. Reardon, City Attorney F. E. Hoffmann, City Engineer R. A. Klassen, Fire Chief Andrew P. Chesney, and City Clerk B. C. Ross.

A request to have a parade through Daly City prior to a rodeo at Colma, April 23, was referred to the police chief for investigation and recommendation.

Under communications the city council heard a letter from the county board of supervisors relative to the proposed formation of a sewer district for northern county cities. The board stated that it did not wish to initiate such a project unless residents of the area were in favor of it. The board asked that Daly City advise it of reaction to the project here.

The current situation was brought to a head when C. G. Gillespie, chief of the State Bureau of Investigation, advised that (Continued on Page 7)

### Dismiss Case At Friday Court

Upon recommendation of the district attorney, Judge William J. Sweeney dismissed the case against Claude Luttrall, accused of robbing Wit's End, at Friday afternoon city court session, March 10. Luttrall had been named as the man who held up the tavern and made off with more than \$700, February 18.

Among those paying fines, Friday, were: James L. Davis, 454 Winchester street, \$2 for overnight parking; Mrs. R. Amundson, 121 Hillcrest drive, \$10 for violation of City Ordinance No. 208 relative to the keeping of animals; Hogan T. Crabtree, 662 Clayton street, San Francisco, \$50, for drunken driving; Austin Millsbaugh, Golden West Auto court, \$5, for improper parking resulting in a run-away car; R. Barengo, 193 Santa Cruz avenue, \$4, for overnight parking; Mrs. Joe Wilford, 219 Los Banos avenue, \$2, for overnight parking.

### Ladies Aid Society At Servicemen's Club

Hostess organization at the Daly City Servicemen's club, 6201 Mission street, this week, is St. Michael's Ladies Aid society. Their period at the center will be climaxed by a dance for servicemen, Saturday night, March 18. Group to take charge for next week has not been designated as yet.

The committee in charge announces that the following stores of the community have pledged a nominal monthly cash donation to help with expenses at the club: Peter's lunch, Daly City Cleaners, Vista Grande market, Westlake market, Mac's grocery, George's grill. Other business houses are invited to help in this project.

### Offer Tuition Free Classes At Jeff

Tuition free classes in bookkeeping and business machines are available at Jefferson Union high school and a new term will begin for this division, Tuesday, March 21. Mrs. Marjorie Reandau is in charge and the classes meet every Tuesday and Thursday evening from 7 to 9 p. m. All those interested are asked to enroll, March 21.

On the same date registration may be made for typewriting and stenography classes under the instruction of Miss Dorothy Smith. There are forty typewriters and two dictaphones available for use of the typing group.

"If you have ever wanted to learn shorthand or typewriting for business or personal use, come down to the high school, next Tuesday evening and enroll. Tuition is free," stated Principal James Ferguson, who urges that the community utilize the many fine facilities of the night school.

### Colma Unincorporated Expects To Reach Goal

Although only 20 per cent of the Red Cross War Fund quota has been deposited in the bank by Colma Unincorporated's committee, the workers, under Mrs. M. Pauline Brown, chairman, fully expect to reach the \$3,000 goal by the end of March. To do this, generous response from all residents and organizations in the area will be necessary, Mrs. Brown pointed out.

If anyone is missed in the house-to-house canvass he is urged to participate in the drive by mailing his check or money order, made out to the American Red Cross, to Mrs. Brown at Box 1653, Colma 25. A membership card, pin, and window sticker will be forwarded to the contributor at once.

## Gay New Comedy On Daly City Screen

"His Butler's Sister," Universal's gay new comedy drama that opens tonight at the Daly City theatre, definitely proves that director Frank Borzage still has the deft touch that has long made him known as one of Hollywood's top film masters.

Lovely Deanna Durbin carries the feminine lead with a quality of charm that seems to improve in each one of her pictures. Her lovely voice carries many musical numbers, but it is her ability to do comedy that makes "His Butler's Sister" an excellent piece of family entertainment. The original screen play is by Samuel Hoffenstein and Betty Reinhardt, and it provides many an amusing situation.

Believing her brother (Pat O'Brien) to be wealthy and in a position to help her ambitions for a singing career, Ann Carter (Deanna Durbin) from a small Indiana city, arrives in New York to find her brother, a butler. His employer, Charles Gerard (Franchot Tone) is a noted composer, and Ann upsets her brother by staying on in the household as a new maid, hoping the composer will eavesdrop on her singing sometime.

Meanwhile society friends, including Evelyn Ankers, try to induce Gerard, the composer, to visit Maine, where Evelyn has romantic intentions.

More romance is in the offing when Miss Durbin is overwhelmed on the part of the other butlers residing in the apartment building, (Akim Tamiroff, Frank Jenks, Sig Arno, Alan Mowbray), each of whom invites her to the New York Butler's ball. At the ball, Deanna at last gets Composer Gerard's ear, and the latter finds the imposter maid not only fits the principal role in his new operetta, but fits his idea of a bride in orange blossoms.

### AT COLLEGE

Four students from Daly City are registered for the spring semester at San Francisco State college. Despite war time curtailments, the college was able to show an increase in enrollment this term, according to Comptroller Leo C. Nee.

The four Daly City students are: Shirley Jones, Ane Mjehovich, Mary Sorz, and Annaliese Trutmann.

San Francisco State, for over twenty years one of the leading teacher-training schools in the nation, is putting special emphasis on this particular phase of college work now in an effort to supply the elementary and junior high schools in this area with competent teachers to replace the thousands called into military service.

### NEW BABY

Mr. and Mrs. Gordon H. Curtis, 65 Guadalupe street, are the proud parents of a daughter born, March 3, in San Francisco.

# LAUNCH WASTE PAPER CAMPAIGN

R. L. Crane jr., chairman of the Daly City Salvage for Victory committee, today, announced the start of a drive to collect waste paper, now the nation's No. 1 critical salvage material of war.

The local drive is part of the U. S. Victory Waste Paper campaign which was started recently by the American Newspaper Publishers association at the urgent request of Donald M. Nelson, chairman of the War Production Board.

Nelson declared that waste paper receipts must be increased another 25 per cent to avert serious threat to the progress of the war.

"War production and distribution depends upon paper," the WPB chairman explained, "and unless we get 8,000,000 tons of waste paper in 1944 for use in the manufacture and shipment of vital war materials, serious disruption of our war economy may result."

In calling upon Daly City and The Daly City Record to partici-

pate in the national campaign, Edwin S. Friendly, chairman of the U. S. Victory Waste Paper campaign, said "the waste paper situation grows more critical each day."

The local waste paper collection drive is being handled by the grammar schools of Daly City. Householders are asked to tie newspapers and magazines into separate bundles, neatly, and either give them to pupils canvassing their respective neighborhoods or to deliver them to the school nearest their homes. Those who have been saving paper for the salvage effort are urged to take this opportunity to turn it in as Daly City has no regular pickup method on waste paper.

Operations in many plants manufacturing paperboard containers and other paper products from waste paper are greatly curtailed by lack of sufficient inventory, Crane explained.

"Containers, made principally from waste paper, are needed in

ever increasing volume to package food, ammunition, and equipment for shipment overseas to American and Allied forces," he said.

"Waste paper is also used in the manufacture of a great many weapons of war—bomb bands, shell protectors, airplane signals and parts, flares, ammunition chests, parachutes for dropping food to advanced fighting units and many other materials of war. In all some 700,000 war items require paper in shipment or in manufacture."

Crane explained that war production officials including high ranking Army and Navy officers, have estimated that 8,000,000 tons of waste paper—about 33 per cent more than is normally used—must be salvaged from the homes and factories of America in 1944 to insure delivery of vitally needed war equipment for the expanding military operations in all the war zones.

## FRANKLY, THERE'S NEVER A DULL MOMENT

It's never dull at the police department, if the past few days may be taken as typical. If it isn't San Francisco juveniles "shooting it out," it's a lost child or somebody heaving an empty beer bottle through a restaurant window or abandoning a street sweeper's pushcart in the patio of a local tavern.

On Wednesday, March 8, at 8:30 p. m. the manager of the Daly City theatre called to report a shooting at Flournoy and Mission streets. Sergeant Ricco Benedetti and Officer Henry Sundermann jr. responded and found that one lad had a .38 revolver and the other a small pistol from which .22 calibre blank cartridges could be fired. The boys had several blank cartridges for each gun in their possession. Whether playfully or in earnest the boy with the .38 pointed it at his companion's chest, causing a severe powder burn just below the heart. Police took the victim to the Alemany Emergency hospital and took the other boy and a chum who had witnessed the fracas to the juvenile home in Redwood City.

Daly City's ambulance was called into use, March 8, at 9:45 p. m. when Mrs. Dorothy Helvern, Mission Auto court, fell and sprained her ankle in front of

7074 Mission street. Dean Wood and Emil Bertelli took her to Alemany Emergency hospital.

Jackie Holm, 2 1-2-years-old, disappeared, March 9 at 3:55 p. m., while his mother was shopping at the Daly City Dress shop. He was found later down at Woodrow Wilson school and returned to his parent.

Officer George Savage investigated an incident at Signal Coffee shop, 6298 Mission street, March 10. Some unknown person passing in an auto threw an empty beer bottle through the window at the rear of the place.

Sunday, March 12, at 4:10 p. m., Hilltop Lodge, 22 Hillcrest drive, reported that something new had been added to their patio—a street sweeper's pushcart. Officers George Hopman and August Benassini made arrangements to return it to the San Francisco Board of Health, rightful owner.

At 12:10 a. m., March 11, Officers Roland Petrocchi, Roy Beecher, Benassini, and Sergeant Benedetti gave chase to juveniles creating a disturbance near the county line. They were held for curfew violations and drunken driving and their cases will come before the court, Friday, March 17.

TO YOU  
GOOD PEOPLE  
of  
DALY CITY

I had hoped to be a  
candidate for city  
councilman. Follow-

ing the advice of my friends, who, I know, are  
dedicated to good and honest government in  
our community, I retired from this election.

This does not mean that my ideas for  
the good of the businessman and the

many "John Does" in our city are not to be con-  
sidered or given due deliberation by  
the elected council.

It means exactly the reverse.

This being the case and honestly believing that  
good, clean and efficient government  
will be served,

I ask my many friends to vote for  
Bert Meritt and Eddie Dennis.

## Junior Red Cross Aids Convalescents

Boys enrolled in the Junior Red Cross program of the Jefferson Elementary School district are now making eighty cribbage boards for convalescents in military hospitals.

The girls are hard at work on gay cushion covers. (Incidentally, housewives who have new scraps of print or plain materials suitable for cushion covers are asked to donate them to the children. Those who have such scraps may notify the Junior Red Cross at 344 Santa Barbara avenue.)

Students receive individual instruction in practical photography; lectures on manipulation of cameras, lenses, light-filters and meters, composition, exposures of ordinary and color films, development, printing and enlarging. They may use the darkroom equipment and participate in field trips.

World War II has brought about many radical innovations and advances in photography that will be available to the professional and the amateur.

The school is easily reached by taking the "N," "7" or "17" cars.

## Auxiliary Police See F. B. I. Film

Police Chief James G. Reardon and Officer Henry Sundermann jr. of the regular force, and fifteen auxiliary policemen were in attendance.

**"PART-TIME" MONEY**

Stabilization Director Fred Vinson emphasized the need for a close watch on the "nervous" or surplus dollars that are a constant threat toward inflation.

Vinson suggests three means of keeping such money out of mischief: higher taxes, increased output of consumer goods, more War Bond purchases.

However, Congress has shown itself in no mood to further increase taxes, and the War Production Board turned thumbs down on more consumer goods except for certain small items that will not interfere with war production. That leaves suggestion No. 3—more War Bonds. And that prompts the question: Why not?

The fact that the American people have put billions of dollars into War Bonds does not alter the fact that they still have billions more that can be invested for this patriotic purpose. But to buy a bond is but the first step. The next and even more important step is to hold it.

When an individual buys a War Bond only to redeem it shortly after, his money is of no value to the war effort. What is more, he wastes the time and money of banks and other agencies which willingly handle the sale of bonds for the Treasury entirely at their own expense. However, if funds must be had Federal Reserve banks can cash your War Bonds. If you ask your local banker to send a bond to the Federal Reserve Bank for you, as many people do, you should expect to pay him a small fee for this service since it entails a good deal of clerical work and responsibility, and adds to the many duties he is already performing for the war effort.

But, the important thing is, hold on to your War Bonds until maturity. "Part-time" money will not win the war.

**SPRING CLEANING**

Spring arrives officially on March 21.

But nature doesn't wait for an official announcement of its arrival before beginning the job of painting the hills and splashing the trees with the colors that make spring the "bright spot" of the year.

Maybe it is this "paint job" that makes us all want to follow suit—to clean up the yard of accumulated rubbish, hoe out the winter weeds, paint the house, repair the back porch, paper the spare bedroom and do the many other things that should be done.

In these days of material and equipment shortages, it is more important than ever that we keep our homes in "ship shape" condition. And this can be done even if it calls for borrowing the money needed for such essential work. Branch banking extending the length and breadth of the State makes this type of loan available to home makers at modest interest rates.

Californians have already borrowed hundreds of millions of dollars under this installment credit plan and thus have made short work of the home improvement problems.

Spring cleaning this year also carries with it the responsibility of looking out for scrap metals or other waste materials that can be used in the war effort.

So clean up, brighten up. Let us make things "shine" along with the spring sun.

**GAS COUPON CHECK UP**

In some parts of California OPA investigators are checking the gas coupons held by motorists when they drive into service stations. Drivers who possess unendorsed or detached gas coupons are given a citation to appear before a Price and Rationing board.

An OPA official states that this check up drive "is not a policing campaign but one to stimulate education and understanding of the vital need for drivers to comply with the simple rules and thus break up the black market operations in gas coupons."

Just how the OPA can hope to break up black market activities to any appreciable degree through this procedure is not clear. The vast majority of motorists are playing square. It is the wholesale theft of coupons from ration boards that presents a real danger. But that must be checked at its source.

Counterfeiting is another tool of black marketeers, but finding a few counterfeit coupons in the possession of a motorist helps little in getting at the source since experience has shown that the holder invariably has difficulty "remembering" where he got them.

No honest American can justify the black market. Daily it is drawing off millions of gallons of precious gasoline—gasoline that forms the life blood of the nation. Without gasoline our military machine would be stalled. Without gasoline our war industries would be paralyzed since motor carriers haul thousands of parts from small manufacturers to the final assembly plants. Without gasoline most of our food would disappear from the markets since trucks are the means of keeping them supplied. Without gasoline millions of war workers could not reach their jobs.

So the black market does more than merely deprive motorists of pleasure driving—it threatens the whole war effort. And that is why we must get to the heart of the problem—no merely skirt the fringe by checking the coupons of individual motorists.

**LOW REGISTRATION**

Hitting the lowest point in 14 years, California's current voters' registration totals 2,765,817 or 1,104,959 less than the last general election in 1942, it was announced, March 7, by Frank M. Jordan, secretary of state.

At the same time Jordan disclosed the communist party is barred from participating in the coming consolidated primary election by reason it failed to garner 2,766 registrations or one-tenth of one per cent of the total registration. The communist party registered only 651 persons.

Of the total registration the Democratic party accounted for 1,599,495 and the Republicans 1,067,949, a Democratic majority of 531,546.

This showed the Democrats lost 700,711 registrations as compared to 1942 and the Republicans 302,120.

The Democrats obtained 57.83

per cent of the total registration; Republicans, 38.61 per cent; Prohibition, .19 per cent; Communist, .02 per cent; miscellaneous, .33 per cent; declined to state, 3.02 per cent.

The Prohibition registration totaled 5,136; miscellaneous, 9,158; declined to state, 83,428.

The largest registration—1,160,774—came from Los Angeles county with 681,797 Democrats and 421,843 Republicans. Alpine county with 196 registration, 60 Democrats and 133 Republicans, was the smallest in the state.

The total registration showed 48 counties held Democratic majorities and 10 Republican.

In San Mateo county there was a registration of 51,749. This total breaks down into 26,781, Democrats; 23,267, Republicans; 12, Prohibition; 11, Communist; 1,678, declined to state.

**READING & WRITING**

BY Edwin Seaver AND Robin McKown

Each year the Book-of-the-Month Club conducts a poll of literary critics to discover what in their opinion were the ten outstanding novels and non-fiction books of the past twelve months. With

WILLKIE MARQUAND

212 critics voting, "So Little Time" by John P. Marquand, was picked as first in fiction for 1943; and "One World" by Wendell L. Willkie, first in non-fiction, it was announced by Dr. Henry Seidel Canby, Chairman of the Club's editorial committee.

The ten leading novels chosen by the critics were "So Little Time"; "A Tree Grows in Brooklyn"; "The Human Comedy"; "The Apostle"; "Taps For Private Tussie"; "Citizen Tom Paine"; "None But The Lonely Heart"; "Indigo"; "Journey in the Dark"; "The Big Rock Candy Mountain."

The ten leading non-fiction books were "One World"; "Here Is Your War"; "U. S. Foreign Policy"; "Under Cover"; "Guadalcanal Diary"; "George Washington Carver"; "Journey Among Warriors"; "The Battle Is the Pay-Off"; "The Year of Decision: 1846"; and "Burma Surgeon."

Of the total of twenty books picked by the critics, seven were Book-of-the-Month Club selections. These were, in fiction: "So Little Time"; "The Human Comedy"; "Taps For Private Tussie"; non fiction: "U. S. Foreign Policy"; "Guadalcanal Diary"; "The Battle Is the Pay-Off"; and "The Year of Decision: 1846."

Louella Parsons, in "The Gay Illiterate" relates this story of a motion picture producer who has since become famous for his faux pas. The producer asked her if she had attended a certain ball. She replied that she had, that she had worn a new dress, and that "Solomon in all his glory had nothing on me." "Solomon," the movie producer turned to his wife. "The Solomons, dear," he puzzled. "Do we know any movie people named Solomon?"

This story from "Belgium in Bondage" by Jean-Albert Goris, dates back to the last war, but it is still significant today. In August, 1914, General von Kluck called on Princess Marie de Groy in her castle in Belgium. The princess asked him: "General, tell me, please, how do you justify the invasion of our neutral country and the horrors you perpetrate here?" The General said: "But Madame, be assured that we will repair, we will settle everything." The princess replied: "Undoubtedly, sir, you will bring to life our soldiers and civilians you assassinated; Germans are so efficient. But one thing you will never restore: the honor of Germany."

**Celebrates Birthday**

LeRoy Heisel, son of Mr. and Mrs. Leslie Heisel, 27 Hillcrest drive, is pictured above. He celebrated his seventh birthday, Sunday, March 5, at a party given by his parents.

Small friends in to make the occasion a gay one for LeRoy, who attends Woodrow Willson primary school, were Gary McFall, Donald Colombini, Billie Jones, Carol Bartelli, Patsy Bartelli, Jo Ann Mini, Carmen Mini, and Barbara Feliz.

Older guests included Miss Betty Ruffino, Dick Silvas, Mr. and Mrs. Charles Silvas, his grandparents; Mr. and Mrs. R. J. Higuera, Mrs. Victoria Feliz.

The St. Patrick's motif was employed, even the cake being trimmed in green and white. At 2:30 in the afternoon the youngsters were taken to Fleishhacker's where they enjoyed themselves riding the merry-go-round and train, and playing at the playground.

# MEET THE CANDIDATES

## Edmund Cavagnaro

I have lived in this community all my life; I am a native son and member of Twin Peaks Parlor No. 214. Other organizations to which I belong include Colma Vista Grande Aerie No. 1848, F. O. E., and Daly City Post No. 410, American Legion. I have always taken an active part in civic affairs and in youth welfare programs here.

It has been my happy privilege to serve the people of Daly City for the past eight years on the city council and at all times I have attempted to carry out the wishes of my fellow citizens for efficient and economical city government, to contribute my best efforts for progress and the general welfare of our city and for the happiness and contentment of our people.

During these years our city has made great progress; many permanent improvements have been developed such as a new city hall, two new fire houses, and in the South end of the city the extension of fire alarm and water systems, traffic signals and street work; development of parks and playgrounds, new panel switchboard, master meter and wells for the municipal water works, and enlargement of the city library.

All of these activities have given me considerable knowledge and understanding of the functions of our city government and have given me the experience necessary to carry on as your city councilman as faithfully in the future as I have in the past.

(Signed) Edmund Cavagnaro

## Edward J. Dennis

In seeking a seat on the Daly City council at the election here, April 11, I wish to thank my many friends and supporters for the confidence they expressed in me, when my candidacy became known, last week. I have taken an interest in labor activities in San Mateo county and in the city's civic affairs for many years.

It was amazing to me to learn so many people are so interested in the coming city election and I am thankful for the fine response to my candidacy. Being a native of this city and raising my own family here, naturally I am very much concerned with the city's welfare and progress.

There are many reasons why I feel there should be a change in the city council, this year, and as the campaign progresses I shall submit them to the voters for their consideration. We are approaching a very critical period in Daly City's history and I am convinced we should be fully prepared to face it when it comes. As your city councilman I shall give whatever time and effort are required for the successful solution of city problems and it will be a pleasure and a privilege to serve my home town as city councilman.

(Signed) Edward J. Dennis.

## John J. Fahey Sr.

For 12 years I have been a City Councilman of your city. During 2 years of that time I was your Mayor, during the years 1940-1942.

A few of the accomplishments of your City Government during my tenure of office, which exist for everyone to see are: Comple-

tion of street paving in southern section of our city; Extension of Daly City water system to southern extremities of the city; Modernization of the Daly City Fire department, which resulted in a substantial reduction in fire insurance rates; Beautification of Marchbank Park and construction and completion of the baseball field there; Completion of Lincoln Playground; Installation of two way radio system in connection with modernization of Police department.

The above and many other things were accomplished during my tenure of office. Many of them were either completed or both commenced and completed during the years 1940-1942, the period during which I, as Mayor, was the head of the City Government.

Everything I have done during my time in office has been directed toward one end, to make our City a better place. I have tried to effect this end by getting the most for the least expenditure of the people's money, by doing that which would best further child welfare, by keeping this city a "home" city, free from all influences which might jeopardize the welfare of our children and ourselves.

(Signed) John J. Fahey.

## Burton L. Meritt

As a candidate for city council at the election to be held, April 11, I want to express my gratitude to my many friends in Daly City for the fine support they gave the announcement of my candidacy. I am more than ever convinced that voters of the community are keenly interested in their local government problems.

With the announcement of my candidacy for the city council, I was the recipient of many offers of support for which I am very grateful. It was surprising to me to learn that even in these busy times people are very much interested in local government, and they know what is happening in their city. Especially are they interested in Daly City's post-war problems, which I have pledged to give my utmost attention as city councilman.

There are other problems existing in city government which I feel merit attention, and I shall make it my business to give the people of this city the very best service possible. I have full confidence that the people of Daly City are perfectly capable of deciding the type of men they desire as public officials and I am happy to submit my name for their consideration on April 11.

(Signed) B. L. Meritt.

## SIMPLIFY LISTINGS ON PRICES

Market basket price listings for hundreds of dry grocery items have been streamlined in the fourth revision of these specific dollars and cents ceiling prices announced, Tuesday of this week, by the San Francisco District Office of Price Administration.

The new price list has been streamlined for the convenience of consumers by the removal of all but the most popular sizes of various brands. However, the OPA emphasized that items which have been taken off the market price list are still under price control at practically the same price levels. Approximately 75 items of the new fruit and vegetable packs, which have just reached retail shelves, have been added.

Most of the dry groceries covered by the specific pricing method of the market basket list remained at the same prices with the exception of some changes in canned fruits and vegetables of the new pack. These changes, ranging from one to three cents more per container, reflect increased labor costs of the new pack.

The market basket price list expresses in dollars and cents the maximum prices which can be charged for baby foods, bread, butter, cereals, cheese, coffee, evaporated milk, dried fruits, mayonnaise, pastes, lard, poultry, processed fish, salad oil, shortening, sugar, and syrups. In addition, the following canned fruits and vegetables are covered: corn, grapefruit juice, green beans, peaches, pears, peas, pineapple, tomatoes and tomato juice.

Daly City and Colma consumers are able to obtain copies of the market basket price lists at OPA Board No. 83-12-3, 470 Grand avenue, South San Francisco. All dealers are required to post the market basket prices where shoppers can easily see them to check ceilings. OPA officials emphasized the fact that market basket prices represent the maximum charge which a dealer can make under price regulations. However, in many instances retailers sell below the market basket prices.

The importance of the community market basket prices was stressed in a statement by District OPA Director Francis Carroll. He declared that price control has been much more effective since the OPA started using cents-per-item ceilings. "We know that no amount of price control law can make price control work without observance," Carroll said. "That's the reason for dollars and cents market basket prices. They are easy to understand and so they are easy to observe. The success of price control is in the hands of the buying public. So check your ceiling prices and refuse to pay more than the legal top."

Five separate price lists have been established for areas within the San Francisco District OPA. The first list applies to 45 communities including Colma and Daly City.

## Association Gives Per Pupil Costs

Jefferson Union High School district spent \$192.46 for each of the 615 pupils in average daily attendance in the district in 1942-43, compared with \$165.97 per pupil for the 689 pupils in attendance in 1941-42, California Taxpayers' association stated today, making public its analysis of pupil costs in 176 high school districts with more than 300 average daily attendance in California. Debt service and capital outlay expenditures are not included.

The district spent \$112.88 per pupil for teachers' salaries in 1942-43, compared with \$99.10 in 1941-42. Other current expenditures averaged \$79.58 per pupil in 1942-43, compared with \$66.87 for the year before.

Current expenditures per pupil went up in 167 of the 176 high school districts studied, with 88 increasing more than \$25, the association found. Only nine districts showed decreased unit costs for current expenditures in 1942-43.

body, were read by Weisenburger. They concerned the establishment of an improved sewage disposal system for the northern part of San Mateo county. Present facilities were termed by the state board as inadequate, even for present needs, and an effort is being made to enlist support by affected communities to secure improvements.

Following a talk by Jensen, who has taken the lead in trying to correct Colma's sewer problems, the board went on record as favoring such a plan, to be sponsored by interested municipalities.

Mayor Delucchi gave a report on progress being made at planning meetings by city groups in this part of the county, relative to securing emergency hospital facilities and seeking concerted action for other regional projects.

The council voted to reimburse a representative for expenses incurred through attendance at a meeting, to be held in Oakland, March 20 to 24, at which post-war plans on a state-wide scale will be attempted. The Oakland session will be for Northern California, while a separate, and similar meeting will be scheduled for the southern part of the state.

City Judge and Health Inspector C. E. Lowe has resumed his duties, following a recent serious illness. For the past month his work has been carried on by Weisenburger.

EDWARD  
J.  
DENNIS

For  
CITY  
COUNCIL

Expressing the belief that the working people are entitled to a voice in the government of Daly City, Edward J. Dennis, recording secretary of the San Mateo County-San Francisco Milk Wagon Drivers' Union, A. F. of L., has announced his candidacy for councilman at the city election of April 11. He seeks one of the two posts to become vacant this year.

In entering the race, Dennis declared he is an independent candidate, and not supported by any special group or faction motivated by selfish interests. He pointed to the fact that he is a native of the city, and long has been interested in its welfare.

"My decision to seek the office of city councilman," Dennis said, "was made following the insistence of many residents of this community, who know of my interest in public affairs. This city is made up largely of working people, and it seems only right they should have a voice in its government. I am interested in good, fair and impartial government for all the people, and in the progress of Daly City now, and in the days to come."

"All communities, especially ours where there are so many working people, should start immediately to plan for the post-war period, when many of our friends and neighbors will be returning from the armed services to again take up peacetime pursuits. Unless we do plan for the future, we may find ourselves in critical circumstances when the war boom has ended."

"This month many of us will feel the pinch of stiff federal income taxes, necessary to win the victory. However, in times when our federal government must impose high taxes, local taxes should be kept at a minimum consistent with good public service, to enable taxpayers to meet the federal burden. As councilman I shall strongly advocate this principle."

Dennis was born in Daly City 35 years ago, and educated in the public schools here. He has been in the milk business the past 15 years, 12 of which were spent in this community. In addition to his union office he has been honored as delegate to international conventions in Washington, D. C., and to several state conventions in California. He is married and has two children. He is engaged in essential industry and has taken an active part in civilian defense.

## Health Department Urges Rodent Control

The bulletin issued by the San Mateo County Department of Public Health and Welfare for the week ending, March 4, revealed that there were two cases of chicken pox and one of measles in Daly City.

In the same report, Dr. Charles C. Gans, director, made a set of recommendations on rodent control. Here they are:

"Producing food for home consumption will help win this war, but producing rats will help ruin this food."

"1. Don't allow a pile of rubbish to accumulate on your premises. Rats like to live under rubbish heaps."

"2. Don't feed your chickens more than they will eat. Waste feed will keep rats in fine fettle."

"3. Don't scatter garbage feed to your chickens. Put your garbage in a metal can with a tight fitting cover and wrap it in paper so it won't spill when the can is being emptied. Rats like garbage and how they thrive on it. Have your garbage removed weekly by an authorized collector."

"4. Don't build your chicken house against fences or other buildings and don't build the floor on the ground. Put it on stilts 18 inches high. Put dropping trays under roosts and clean them often. Keep the manure in a container with a tight cover."

"5. Don't allow victory garden products to lie on the ground, rats eat vegetables."

"6. Don't allow rats the run of your place. Use traps and poison to eradicate them. If you want advice on methods of rodent control, notify the San Mateo County Department of Public Health and Welfare. (Phones: Redwood 2180; Burlingame 3-6001; Daly City, Randolph 1170.)"

## Stanford Attacks Employment Problem

Stanford University proposes to assist industry in its attack on the problem of employment of handicapped veterans, and other physically handicapped workers, announces Professor E. L. Grant, director of Stanford's War Training program.

The problems of placing a and keeping returning veterans and other injured workers in jobs most satisfactory to them and to industry will be studied in a tuition-free course to be given at the American Institute of Banking, 68 Sutter street, San Francisco, each Monday evening for twelve weeks beginning March 13, 1944.

## COMING HOME

Miss Darlene Copeland has improved so much at Stanford Lane hospital that her parents, Mr. and Mrs. Jay Johnson, 243 Miriam street, expect to bring her home, this weekend. Miss Copeland, a senior at Jefferson Union high school, was taken critically ill when the artery over her heart collapsed, recently.

Her remarkable recovery was due in a large measure to the generous response of blood donations made by students of the local high school, according to her parents. A large number of transfusions were necessary and through the cooperation of classmates they were made available when needed.

MERITT

For  
CITY  
COUNCIL

Burton L. Meritt, prominent civic leader and business man, has filed nomination papers for election to the post of Daly City Councilman at the election to be held here April 11. He has been a resident of the community for 20 years, and is active in many public endeavors.

Meritt declared many business people and other residents are sponsoring his candidacy, because of what he brands general dissatisfaction with the service rendered the city by the two incumbents whose terms expire this year. He charged citizens generally have grown tired of the "do nothing" policies of public officials, who have been in office long enough to reveal their attitudes.

"After public officials have served two or more terms in office," Meritt said, "people have a fairly good insight as to what they can expect from these officials in the future. I would not be a candidate for this office unless I was convinced of the general dissatisfaction on the part of our people toward the outgoing councilmen. It seems to me these are critical days, and even more critical days are ahead for this country, this state and this city."

"Since the war industry has brought many new residents to our community, it is apparent we must look to the time when war industry will be over, and our boys return to resume civilian activities in the post-war era. Every city worthy of the name already has started preparation of a post-war program. Daly City has done nothing. Perhaps we can better understand this when we look to the record of the two councilmen at issue, only to find a long series of opposition votes to constructive moves for the betterment of Daly City."

"Either a community progresses, or it goes backward. It never stands still, and it does not progress under the administration of public officials more interested in politics and patronage than in civic endeavor. During this campaign there are many important issues I will discuss, and I am confident when the people realize the true state of affairs, their action will be definite and decisive."

Meritt is a member of the Daly City Fire Department, Company No. 1, and the Veteran Firemen's Association. He heads the Sea Scouts in this area, is past president of the Fraternal Order of Eagles, and a director of the Lions Club. In civilian defense work he served as an instructor in first-aid. He is 40 years of age, married and has two children.

**LEWIS GRADUATES**

Another class of qualified radio operators had been graduated, this week, by the Communication department of the Armored school.

Graduates included Corporal Charles F. Lewis, son of Mrs. Verne Clyburn, Daly City.

Their arduous 14-weeks' labors behind them, the graduates have returned to their units in armored divisions and separate tank battalions throughout the United States. There they will play an important part in the signal communication system which controls units on maneuvers and in combat.

Each soldier in the course learns the International Morse Code, the "dit-dah" alphabet, and progresses through radio procedure and a study of radio sets. Final phase is field operation, in which radio sets are operated from scout cars under simulated battle conditions.

reau of Sanitary Engineering in a report to the board of supervisors, pointed out the necessity for a more adequate sanitary disposal system in the north end of San Mateo county.

"Sewage disposal is filthy and dangerous from the county line to South San Francisco," Gillespie stated.

Although Colma is considered directly affected in the situation, Daly City is not immediately concerned, City Engineer Klassen stated. He explained that almost all of Daly City is properly sewered and only one short street in the south end of the city would stand to benefit by the proposed disposal system. The report was laid over for further study and action will be taken later.

However, the city clerk was instructed to let the board know of the opinion expressed at Monday night's meeting and to state that Daly City would like additional information on how the plan progresses.

Councilman McHugh reported on the Thursday, March 9, meeting of the Northern San Mateo County Municipal and Civic League, held at South San Francisco. Daly City, Colma, Lomita Park, Rockaway Beach, Sharp Park, and South San Francisco were represented and a date was set for a larger meeting to be held, Thursday, March 23, to which all First Township officials, city and county, will be invited.

Immediate project of the newly formed organization is securing an emergency hospital to serve the north end of the county. Daly City organizations are urged to endorse the proposal and send their endorsements in to the league. They may be mailed to

Julia tells  
How to make good things with cereals

I LOOKED into my pantry the other day, and noticed the imposing array of packaged cereals which filled a whole shelf. It reminded me that there's an amazing number of good things to be made with cereals. Of course they're part of the normal breakfast—but how long has it been since you've made, for instance:

#### HONEY BRAN MUFFINS

2 cups enriched flour 1 egg  
3 tps. baking powder 1/2 cup strained honey  
1/4 tsp. salt 1 1/4 cups milk  
2 cups bran 1 tbsp. melted shortening  
3/4 cup finely chopped walnut meats

Sift and measure flour; sift with baking powder and salt. Combine sifted ingredients with bran, and nutmeats (the latter may be omitted). Beat egg slightly; add honey, milk, and shortening; combine with flour-bran mixture; mix just enough to moisten all flour. Pour into well-greased muffin pans, filling two-thirds full. Bake in moderately hot oven (425° F.) 25 to 30 minutes, or until done. Makes 16 large muffins.

And here's another way to turn a cereal product into something so tasty the whole family will call for more:

#### FRESH LEMON OATMEAL COOKIES

1 cup enriched flour 1/2 cup brown sugar, firmly packed  
1 tsp. baking powder 1 egg  
1/4 tsp. salt 6 tbsps. milk  
1/4 tsp. soda 2 1/4 tps. grated lemon peel  
1 1/4 cups regular rolled oats 1/2 tsp. vanilla extract  
1/2 cup shortening

Sift and measure flour; sift again with baking powder, salt and soda. Add oats. Cream shortening and sugar together until light and fluffy. Add egg to creamed mixture, beating well. Add flour mixture and milk alternately, mixing well after each addition. Add lemon peel and flavoring. Drop by teaspoonfuls on lightly greased cookie sheet. Decorate each cookie with diamond-shaped wedges of lemon peel arranged in a three-leafed design. Bake in moderate oven (375° F.) 15 minutes or until lightly browned. Remove cookies immediately to rack; cool; store. Makes about 3 1/2 dozen.

Of course there are other ways to use cereals excitingly—more ways than you can shake a stick at! Just for example, here are some "cereal ideas":

To achieve an unusual texture in bread-ing meats such as veal chops, and in casserole toppings, use crumbled prepared cereals.

To make a "cereal dessert ring", melt 1/2 cup butter or margarine in heavy frying pan, add 1 1/2 cups brown sugar and cook until bubbles form. Pour over 6 cups heated cornflakes or puffed cereals, mixing well. While hot, pack into 9-inch ring mold. Serve with ice cream or your favorite frozen dessert. Serves 8.

To stretch meat or fish loaves or patties, use crumbled prepared cereals such as corn flakes, puffed cereals, etc. or rolled oats (1 1/2 cups cereal for each 2 lbs. of meat or fish).

**BROWN POINTS FOR WASTE FATS**

For every pound of fat a housewife turns in to her meat dealer or other fat salvager, she receives two meat points. "But most important," Herbert M. Faust, director of WPB's Salvage division said, "within a month the fat will be transformed into war materials and on the way to the fighting fronts." He reminded housewives to save the grease from turkeys, geese, ducks, and chickens, for the manufacture of war products.

**CANNING SUGAR NOW AVAILABLE**

Housewives may now get 5 pounds of canning sugar by using Stamp No. 40 in War Ration Book Four. OPA has announced, and additional canning sugar later will be available on application to local boards. Stamp No. 40 will be good 13 months, through February 28, 1945.

Not everybody with a dollar to spare can shoot a gun straight—but everybody can shoot straight to the bank and buy War Bonds. Buy your 10% every pay day.

# AT JEFFERSON UNION HIGH SCHOOL

By Verna Moresco

## G. P. A. L.

New officers chosen for Girls' Peninsula Athletic league at Jeff high, this term are: Frances Vaughn, president; Colleen Robin, vice-president; Alice D'Isep, secretary-treasurer.

G. P. A. L. volleyball will start as soon as class games are completed.

A spring play-day is going to be held sometime in May at Sequoia high school. Twenty students from each school will be participants.

## GYM

Class teams for after-school volleyball were chosen and Monday and Wednesday of this week were practice days. Next week the play-offs will be played.

Those who have passed their beginner's test are: Janice Tailiaferro, Beverly Gregoire, Yvonne Hulme, and Louise Mjehovich.

## MUSIC

Howard Miguel is getting the band ready for the school dance, tomorrow night. To give band members a chance to dance, recorded music will replace them during two dances.

The Indians also had a successful evening at the barracks, Saturday night, March 11. The enthusiastic reception accorded the band in their recent appearance at the barracks seems to indicate that they enjoy considerable favor with the soldiers.

## EXECUTIVE

The regular meeting of the executive board was held, March 7. Old business: plans for "Get Acquainted Week" are being completed.

Elsie Belli and Louise Terry are writing a skit to show the value and uses of the student body card. It will be presented in assembly when basketball awards are made.

## DANCES

Another after-school dance was held, Thursday, March 9. To satisfy everyone the entertainment committee bought new records, both "jivvy" and "sweet."

The "Daisy Mae Chase" tomorrow night, by what the entertainment committee has revealed, will be some fun! In keeping with the theme decorations are to be from the "sticks."

Boys are supposed to wear jeans and plaid shirts and the girls are to wear gingham dresses. At the last meeting of the entertainment committee Jack Dyer, M. L. Greenfield, Harry Kent, Paul Underhill, and Don Van Kirk were voted in as new members.

John Harville, Miss Eunice Philbrick, and Mrs. Marjorie Reandau have been chosen to help Adolph Hansen as advisers for the entertainment committee.

## C. S. F.

Total membership for the C. S. F. numbers fourteen. The only life member is Alma Simonetti; veteran members are: Barbara Blecher, Phillip Morales, Verna Moresco, and Lenore Ross.

New members include Helen Capps, Norma Hagen, Doris Hite, Esther Hukari, Donna McCoy, Norma Moore, Betty Pistohl, Peter Ratto, and Betty Whiteley.

## CHORUS

The chorus, under the supervision of Oscar Busch, will participate in the music festival to be held in San Jose, May 6.

The festival will be for choruses, bands, orchestras, soloists, and ensembles.

About thirty members of the large chorus will be taken to the festival.

## ODDS 'N ENDS

Don't forget to buy your student body cards! Sales will close, March 31.

The Junior Red Cross needs old sweaters, games, and playing cards.

Bring in more bonds to make the final goal for the "Indians' Revenge" a success.
